

SYDNEY PRIVATE BUS ROUTES

Index of Suburbs

including relevant localities, institutions and street names of termini

Index from 1925 to the present of suburbs, etc, where private bus services operated in the metropolitan area of Sydney, NSW, Australia

(including routes with numbers in the Sydney Region Route Number System in the Blue Mountains and Picton areas)

A work in progress. Corrections and comments welcome – robkit.henderson@bigpond.com

- This index shows principal termini of Sydney private bus routes and selected intermediate points, but not necessarily every suburb, etc through which a route passed. Termini in the CBD of Sydney and in the Milsons Point/North Sydney area have been excluded.
- **Numbers underlined** are those of routes in the Sydney Region Route Number System (or, in some cases, “Red Arrow” routes). Following the number/s for these routes is the relevant Contract Region (or “No repl” or “Transferred to STA”), where Route Histories may be found elsewhere on this site. (“No repl” means ceased without replacement; “Transferred to STA” means transferred to State Transit Authority.)
- **Numbers *not* underlined** are in the 1925 route number series, where Route Histories are listed in numerical order.
- **Routes with alphabetical suffixes** are not listed below, but their route histories may be found in the same contract region as the route with the same number without a suffix.
