

SYDNEY BUS ROUTES

Sydney Region route numbers

Routes 250 – 274

Histories of bus services (both Government & private) in the metropolitan area of Sydney, New South Wales, Australia, with route numbers in the geographically-based Sydney Region (sometimes called three-digit) route number system, initiated when Government bus routes were renumbered during the period 1938-44 and extended to private bus routes during the period 1981-2004

A work in progress. Corrections and comments welcome – robkit.henderson@bigpond.com

In the Timetable Summaries, details are normally shown for Mondays to Fridays, Saturdays & Sundays. Times for Sundays typically also apply to Public Holidays. However, where first/last trips and/or frequencies on Public Holidays vary significantly from those on Sundays, times for Public Holidays (Hols) are also shown.

(■) denotes this route or this version of the route no longer operative.
